# Asia Risk within Risk.net

Risk.net includes the areas of Asia Risk:

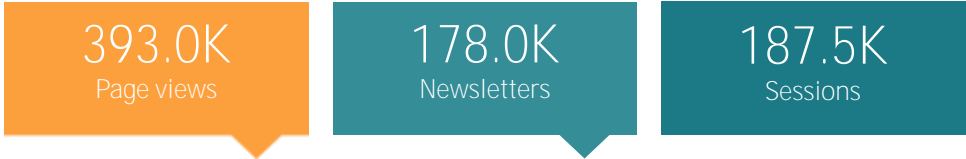

The screenshot displays the Risk.net website interface. At the top, there is a navigation bar with categories like Events, Awards, White papers, Research, Books, and Jobs. The main header features the Risk.net logo and a search bar. Below the header, a secondary navigation bar lists various sections: Risk management, Derivatives, Regulation, Commodities, Asset management, Cutting Edge, Journals, and All sections. The main content area is titled "Asia" and features several articles:

- People**  
**People moves: UBS hire bank vice-chair**  
Also: Commerzbank's trade finance Asia and others  
21 SEP 2017
- Regulation**  
**Banks fear uneven playing field on NSFR**  
Asian jurisdictions likely to implement key measures  
20 SEP 2017
- Our take**  
**Don't leave margining till the last minute**  
Institutions in Asia have a narrowing window  
18 SEP 2017

Below the articles, there is a section titled "READ ARTICLES FROM PAST ISSUES" with a carousel of magazine covers for AsiaRisk from July/Aug 2017 to Mar 2017. To the right, a sidebar titled "ASIA" lists additional articles:

- People moves: UBS hires new Apac investment bank vice-chair
- Banks fear uneven playing field on NSFR
- Don't leave margining till the last minute
- China to model financial reforms on Mifid II
- Asia warned of LEI crunch over Mifid II deadline

At the bottom, there is a section titled "Download the Asia Risk Magazine app" with a brief description: "Each month the magazine content is reformatted to make the most of your tablet and mobile's functionality while retaining the familiar feel of Asia Risk Magazine. The Asia Risk app delivers definitive risk management information from the Asia-Pacific region direct to your tablet and mobile device. Download the Asia Risk app today."
